IN STOCK

-The Most Extensive Collection of Japanese Art & Printing Culture-

JAPANESE POSTER COLLECTION, 1969-2008

Total ca.17,000 items

*Please inquire for the price and further details.

This is the largest, most extensive collection of posters of various cultural fields printed throughout Japan in the past 40 years.

It shall be important resource for studies in Japanese culture and Japanese art history. Posters included in this collection were produced by various organizations throughout Japan, including art museums, galleries, associations etc. Also included are art exhibitions of European masters and other Asian art held in Japan during this period. It will be almost impossible to make a collection of similar scale in future again.

[Overview of the collection]
